Dignity for All Students Act

Effective date:
July 1, 2012

New York State's Dignity for All Students Act (DASA/The Dignity Act) seeks to provide the State's public elementary and secondary school students with a safe and supportive environment, free from discrimination, intimidation, taunting, harassment and bullying on school property, a school bus and/or at a school function.

This legislation amended the State Education Law by creating a new Article 2-Dignity for All Students. The Dignity Act also amended Section 801-a of New York State Education Law regarding instruction in civility, citizenship, and character education by expanding the concepts of tolerance, respect for others and dignity to include: an awareness and sensitivity in the relations of people, including but not limited to, different races, weights, national origins, ethnic groups, religions, religious practices, mental or physical abilities, sexual orientations, gender identity, and sexes. The Dignity Act further amended Section 2801 of the Education Law by requiring Boards of Education to include language addressing The Dignity Act in their codes of conduct.

A DASA liaison has been assigned to every district building. Additional information can be found on our website.
